

Student Printer Setup (Bldg 1)

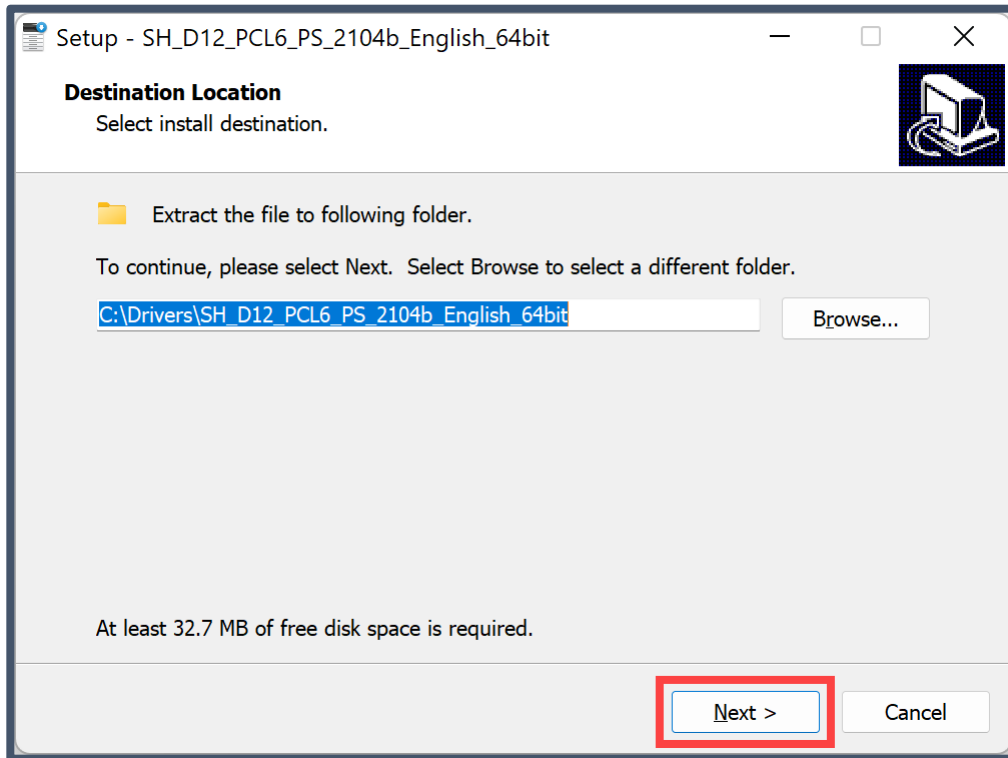

1. Click the link [here](#) or type tinyurl.com/sharpmx-3071 into the address bar of your preferred browser to find where the printer driver is hosted. Click Download.

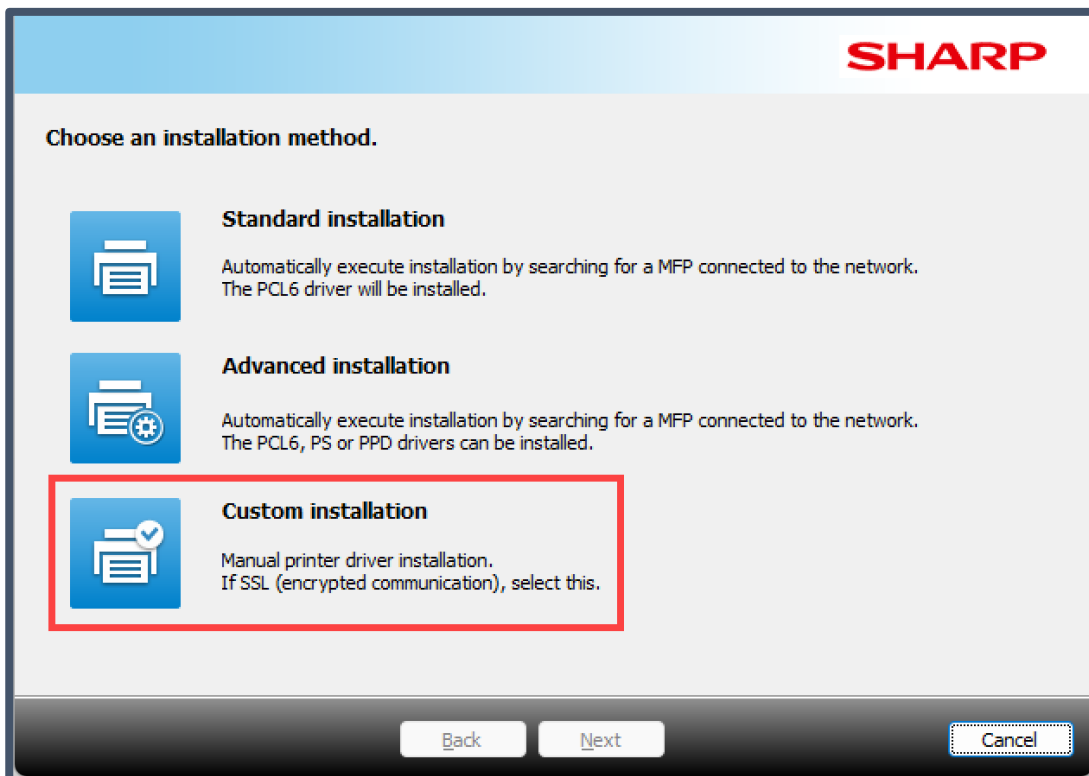

2. Click the yellow folder icon at the bottom to open File Explorer. Select Downloads from the left sidebar and double-click the file to begin installing the driver.

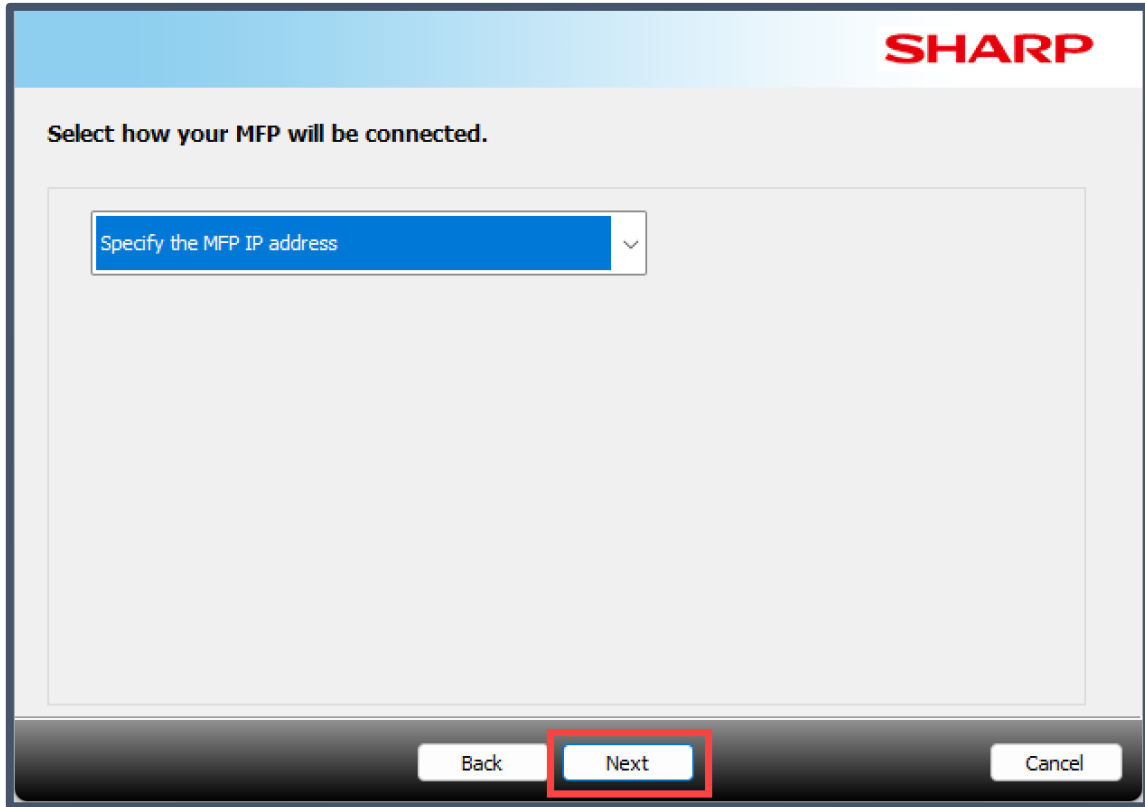

3. In the dialog box that opens, leave the default destination location and click Next.

4. Select Custom installation.

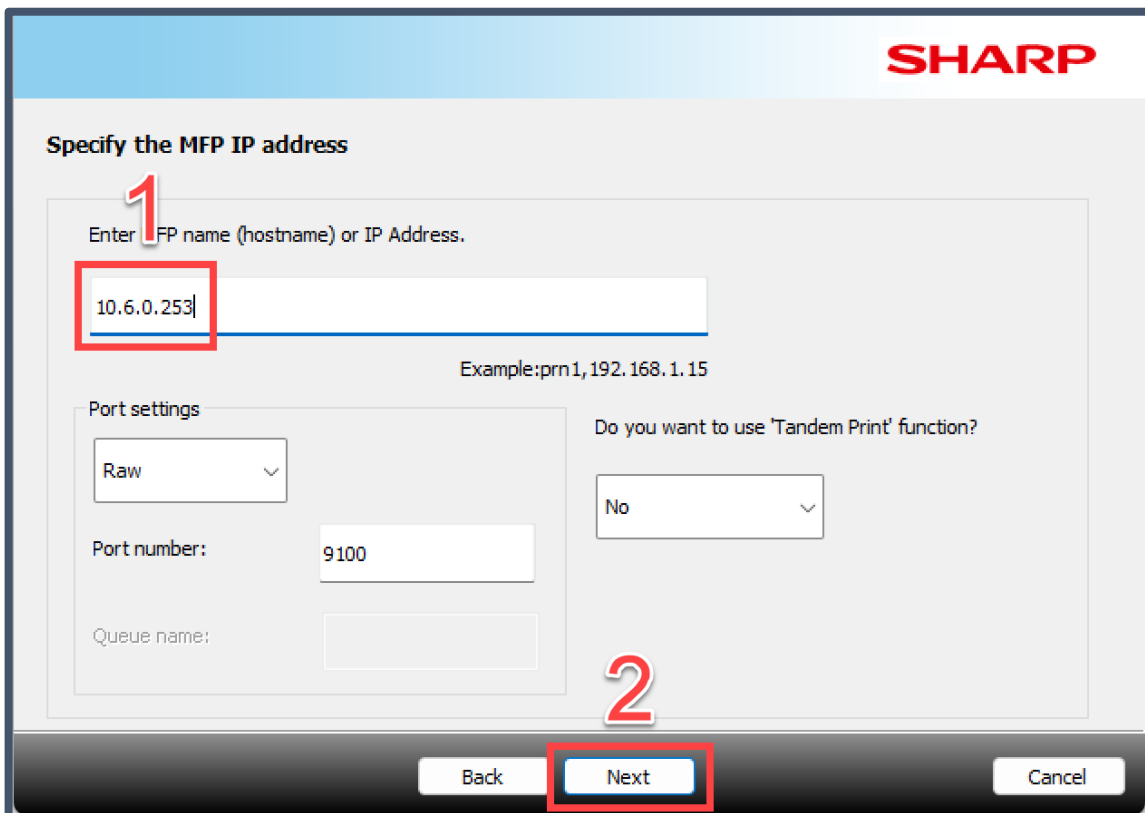

5. Leave the default option for “Specify the MFP IP address” and click Next.

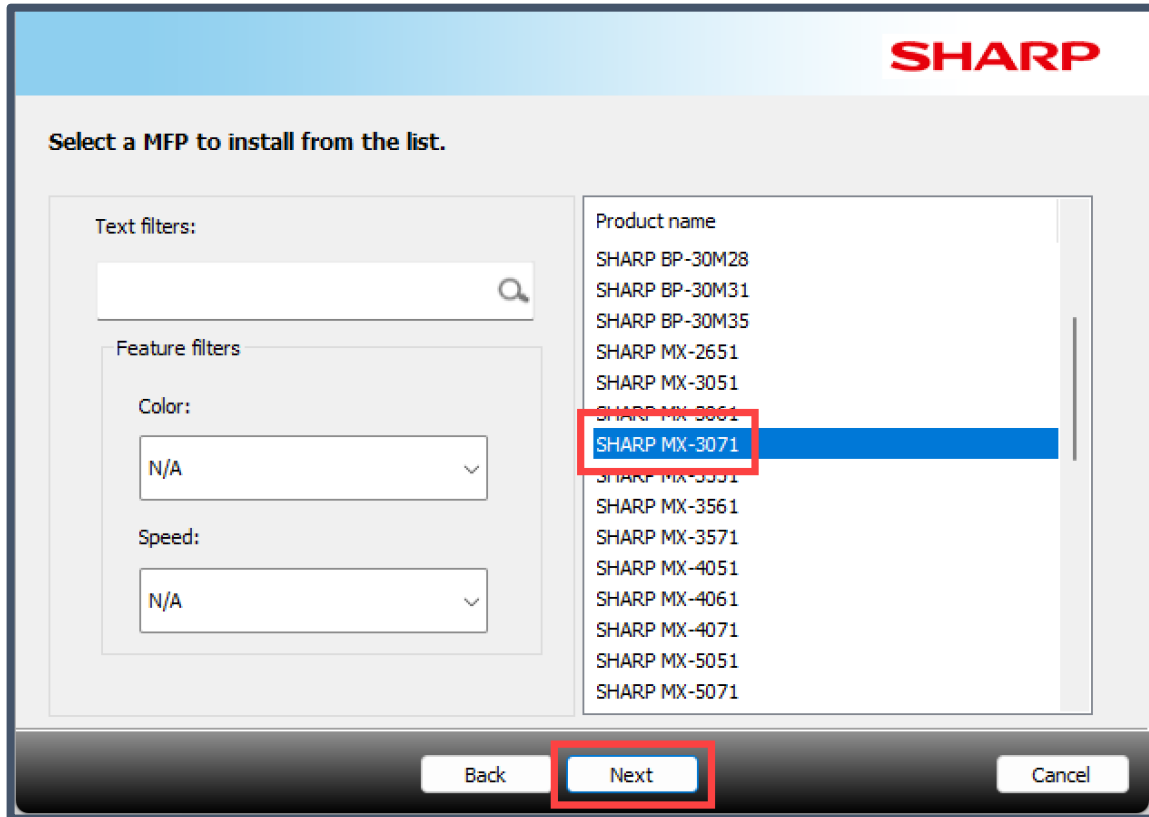

The image shows a SHARP configuration screen with the title "Select how your MFP will be connected." At the top right is the SHARP logo. Below the title is a dropdown menu with the text "Specify the MFP IP address" and a downward arrow. At the bottom of the screen are three buttons: "Back", "Next", and "Cancel". The "Next" button is highlighted with a red rectangular box.

6. In the “Enter MFP name (hostname) or IP Address” field, type 10.6.0.253 and click Next.

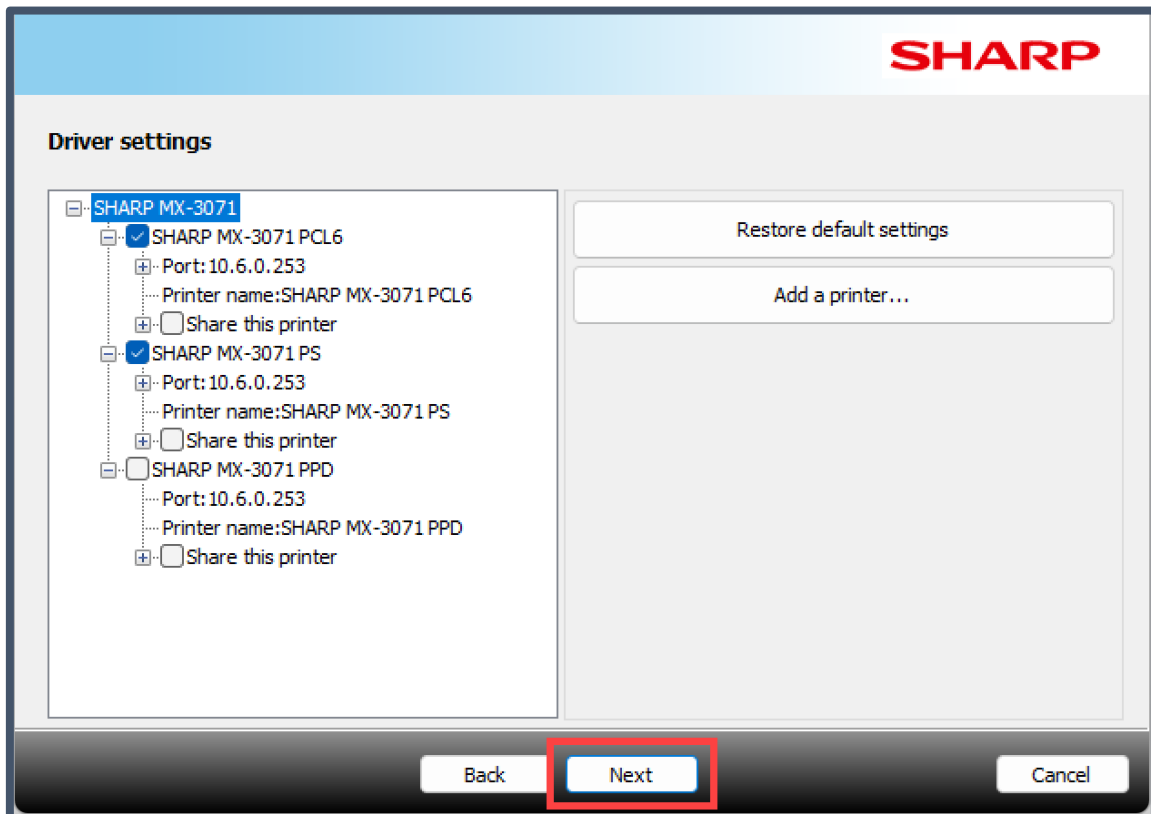

The image shows a SHARP configuration screen with the title "Specify the MFP IP address". At the top right is the SHARP logo. Below the title is a text input field with the placeholder text "Enter MFP name (hostname) or IP Address." The value "10.6.0.253" is entered in the field, and a red number "1" is positioned above the first digit. Below the input field is the text "Example:prn1,192.168.1.15". There are two sections: "Port settings" and "Do you want to use 'Tandem Print' function?". The "Port settings" section has a dropdown menu set to "Raw", a "Port number:" field with "9100", and a "Queue name:" field. The "Do you want to use 'Tandem Print' function?" section has a dropdown menu set to "No". At the bottom of the screen are three buttons: "Back", "Next", and "Cancel". The "Next" button is highlighted with a red rectangular box, and a red number "2" is positioned above it.

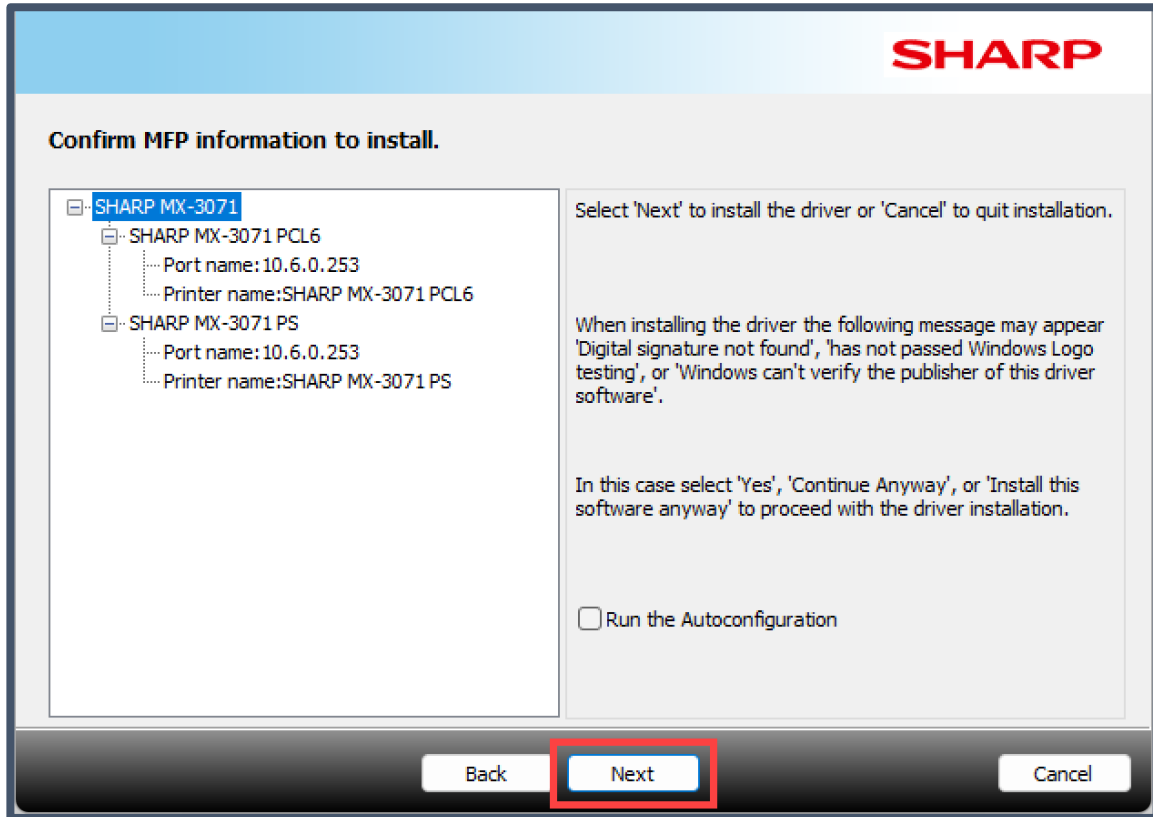

7. In the list of SHARP printer models on the right, select SHARP MX-3071 and click Next.

8. Keep the boxes that are automatically checked on the left side and click Next.

9. Click Next.

10. Click Finish.
