**COMPLAINT FORM
PLEASE TYPE ALL INFORMATION**

The Commission on Osteopathic College Accreditation (COCA) has established a complaint review procedure to protect the integrity and the maintenance of accreditation standards and procedures as they relate to approved colleges of osteopathic medicine (COM) having recognition from the COCA. The complaint review procedures are set forth in the COCA Policies and Procedures document and excerpted here <https://osteopathic.org/wp-content/uploads/2018/02/complaint-review-procedures.pdf>

Please note that this complaint review procedure is *not* an appeal process for decisions made by the COM. The complaint review procedure is to address issues raised related to accreditation issues. The COCA does not mediate on behalf of a complainant or otherwise intervene in decisions made by an accredited program.

Complaints must be submitted within two years of the alleged incident that is the basis of the complaint.

Please note that anonymous complaints cannot be considered.

To facilitate a complainant's submission of allegations that relate to accreditation standards, the COCA requires the use of this form. Attach additional pages as needed.
